Subject: Crowley ODS 2.1.0 Software Release

Part Number: 8700020

The Crowley Company has issued a new production version of the Crowley ODS Software: Release 2.1.0. This new version of the software only works with all current Crowley-only PC and Touch Panel models.

A NEW FEATURES IN THIS RELEASE

- A.1 The ODS Tower has a new light assembly.
- A.2 Book correction when applied has three options as to the type of book that needs correcting.

Book correction is an option, only able to be turned ON/OFF here with the double page book selection. In the **Advanced Interface** only, a choice of material to book correct, then shows, choosing between, hardback, paperback and magazine.

B COMPATIBILITY WITH HARDWARE AND FIRMWARE

- B.1 This software is compatible with all Crowley-only ODS units
- B.2 This software is compatible with all FIRMWARE revisions
- B.3 PC Specification:

Crowley pursues a policy of continuous product improvement and reserves the right to change these specifications without notice.
